KAREN SCHWANEBECK, RECORDER
MARION COUNTY IOWA

Monument(s) description and narrative:

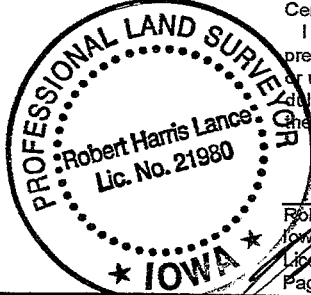

① SE Corner of Section 21: Found $\frac{1}{2}$ " rebar 3" deep over concrete monument. Previous ties missing.

② SE corner SW $\frac{1}{4}$ SE $\frac{1}{4}$: Set $\frac{1}{2}$ " x 30" rebar/cap 3" deep. @ mid point on $\frac{1}{2}$ mile.

- Reason for corner certificate:
- ② There is no certificate for the corner on file with the recorder of the county in which the corner is located. The surveyor in responsible charge of the land surveying accepts a corner position which differs from that shown in the public records of the county in which the corner is located.
 - ① The corner monument is replaced or modified in any way.
 - ① The reference ties referred to in an existing public record are not correct.

All distances measured horizontal unless otherwise noted.

Certification:
I hereby certify that this land surveying document was prepared, and the related survey work was performed by me or under my direct personal supervision, and that I am a duly licensed Professional Land Surveyor, under the laws of the State of Iowa.
